

You Are Faithful (Even When I Wander)

McClure

Length: 4:30

Tempo: 90

Key: G

My flesh and my heart fail me, I am the anxious one
My senseless path and sinful ways cause my heart to stumble

But the King of my heart is the King on the throne
And the Lord of my circumstance will never let me go
Never let me go

You are faithful, You are faithful God
Even when I wander far away
Faithful You remain, faithful You remain

You take ahold of my hand and with Your wisdom guide me
I will walk alongside of You and give You all glory

'Cause the King of my heart is the King on the throne
And the Lord of my circumstance will never let me go
Never let me go

You are faithful, You are faithful God
Even when I wander far away
Faithful You remain, faithful You remain
You are faithful, You are faithful God
Even when I wander far away
Faithful You remain, faithful You remain

As for me, the nearness of my God is good
I have made the Lord my God my refuge
Thankfully, You will keep me with You
What do I need but You
As for me, the nearness of my God is good
I have made the Lord my God my refuge
Thankfully, You will keep me with You
What do I need but You

You are faithful, You are faithful God
Even when I wander far away
Faithful You remain, faithful You remain
You are faithful, You are faithful God
Even when I wander far away
Faithful You remain, faithful You remain, yeah

As for me, the nearness of my God is good
I have made the Lord my God my refuge
Thankfully, You will keep me with You
What do I need but You
